

# RESTORE OUR WATERS COASTER KICKOFF

## THURSDAY, AUGUST 5, 2010 6-10PM, NAKED CITY BREWERY

Restore Our Waters is the City of Seattle's ongoing commitment to take actions and promote partnerships that protect and improve our creeks, lakes, and Puget Sound. In partnership with several non-profit, city, and state organizations, Restore Our Waters is expanding its community messaging by going beverage. Starting August 5, you will begin to see the beverage coasters (pictured above) beneath your drinks at many local eateries. Please join us at Greenwood's own Naked City Brewery & Taphouse (8564 Greenwood Ave. N.) to celebrate.

Puget Sound t-shirt available at this event only!
