To the Honorable Mayor and Common
Council of the City of Seattle
Gentlemen

At a regular meeting of Fire Company No
4 held January 5th 1885 in North Seattle
the Officers of said Company were
instructed to represent to your honorable
body that we are and have been since
May 5-1884 a Regular Organized Company
and have been so recognized by the City
Council as well as the Fire Department
That we have never been furnished
with any Fire Apparatus whatever

The property interests in Buildings
both Public and Private in this part of
the City are of such character as
to demand protection

We therefore petition your Honorable
body to furnish us a Fire engine
with Appurtenances at an early date

To the Honorable Mayor and Common Council of the City of Seattle

Gentlemen:

At a regular meeting of Fire Company No. 4 held January 8th 1885 in North Seattle we the officers of said Company were instructed to represent to your honorable body that we are and have been since May 3, 1884 a regular organized company and have been so recognized by the City Council as well as the Fire Department that we have never been furnished with any Fire apparatus whatever.

The property interests in Buildings both Public and Private in this part of the City are of such character as to demand protection.

We therefore petition your Honorable Body to furnish us a Fire Engine with appertanances at an early date.

Signed W. G. Latimer, Thomas H. Stagg, G. A. Hill and Charles Baker
