Dear Sir:

The attached copy of complaint made by me to the various governing agencies, of an attempt to do business with the Lake Washington Realty is sent to you on the following basis:

This matter is exposed to you from the office of the N.A.A.C.P. in the hope that it will help in a fair appraisal of contributing factors in the restricted housing situation for Negroes in Seattle.

We wish to express our thanks in advance for your use of the facts in this case in determining what laws on the books or what legislation can be enforced to insure all citizens in our city and state equal opportunities as citizens living in the state of Washington.

Very sincerely,

E. June Smith
(Mrs.) E. June Smith,
