

# Instant rebates available for high-efficiency ultra-low temperature freezers

Save \$1,200 off your invoice!

Puget Sound Energy and Seattle City Light are partnering with distributors and manufacturers to offer big savings on high-efficiency ultra-low temperature (ULT) freezers purchased for use in commercial facilities in the Pacific Northwest.

Participating distributors apply the rebate at the point-of-sale—no waiting, no paperwork!

## How to Participate

### 1. Choose qualifying equipment.

Ask your distributor what qualifying model may be right for your facility.

### 2. Complete your purchase.

Confirm that your equipment will be installed at a non-residential facility that receives electric service from Puget Sound Energy or Seattle City Light.

### 3. Receive your instant rebate.

The rebate will be applied as a discount on your invoice.

## Ultra-Low Temp Freezers

Rebate: **\$1,200/unit**

Estimated annual electric bill savings **up to \$1,000**

Estimated energy savings are based on energy savings estimates from ENERGY STAR® assuming an average commercial energy rate of \$0.16/kWh.
