Hi Chris, as promised, I pieced together the 1998 Citizen's Summary for you! The four PDFs make up the one Citizen's Summary document from 1998 (it was a folded 11 x 17 sheet).

Here is the 1998 Libraries for All "Brown Book" in an electronic format:

I checked with our Business Office and they no longer have records regarding how many Brown Books were printed or when. I do know they were extremely popular and it was considered a 'model' document for other agencies and organizations.

Enjoy the sunshine today!
