Cindy – I know we had this ready for Scott’s signature and it sounds like the Ethics and Elections office really wants it. Do you know if it got signed?

Subject: SDOT - Pronto Disclosures and Request for Waiver

Hi David, Scott, and Hannah,

I am looping back about our previous advice about disclosures and/or a waiver request for Scott Kubly regarding his former employment with Alta – now renamed Motivate.

We have not received either a disclosure form or a waiver request for Scott.

David, it was my understanding from when we talked after the June SEEC meeting that you were working on this for the MO.
