Shoot, Katherine, sorry I didn't send you this worksheet on Friday. We show you guys at \$139,527 when the cap was lifted. It went back into effect on 8/4, so your post 8/4 spending limit is \$300,000 minus \$139,527, or \$160,473.

Best,
Wayne

Subject: Update on Spending

Hi Wayne,

I just wanted to circle back to see if there is any update on our General spending limit? Looking to put together our fundraising plan.

Thanks so much!
Katherine
