Work Group 5 - Public Realm

February 22, 2018 Meeting

Time: 4:00-5:30 pm

Location: Hing Hay Coworks 409b Maynard Ave S

AGENDA

4:00-4:15 Welcome/Introductions/Project Scope

4:15-4:30 Present and review draft Public Realm existing conditions map

- City staff will share a series of draft existing conditions maps that OPCD is developing based on information currently available in GIS

4:30 – 5:00 Small group discussion focusing on identifying:

- What elements of the public realm appear to be missing in the CID?
 - What are any obvious gaps you see – for example, lack of street trees, street furniture, lighting, etc.?
- When considering the neighborhood in its entirety what are the:
 - Key sites/areas where public realm improvements should be focused?
 - Priority pedestrian connections?
 - Priority projects - what and where?
- When considering the sites and projects your group has identified, how would you prioritize them as compared to one another -Priority 1,2,3,4.....?

5:00 to 5:15 Small group report out

- Each group share the following:
 - What gaps/needs did you identify?
 - What are your group's top 3 priorities or outcomes you would like to see - show on your map if applicable.
- If time permits, entire work group discusses prioritization of projects to come up with a master priority list.

5:15 – 5:30 February 28 Community Event discussion:

The CID Advisory Committee agreed to hold the first Community Event the evening of **February 28 from 4:30 to 6:30 PM**. We will discuss the event and ask for volunteers to attend to represent the Public Realm Workgroup.
